

# TRANSMITTAL MEMO

**TO:** Bernard "Jack" Young, President City Council  
**FROM:** Peter Little, Executive Director   
**DATE:** May 5, 2011  
**RE:** ORDINANCE 11-0684

I am herein reporting on City Council Bill 11-0684 introduced by Councilmembers Clarke, Curran and Henry.

The Parking Authority of Baltimore City has reviewed the amendment to the Urban Renewal Plan for Waverly Business Area to clarify certain land uses and to correct, clarify, and conform certain language; waiving certain content and procedural requirements; making the provisions of this Ordinance severable; providing for the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

It has been determined that the proposed legislation will have some minor impact to the parking within the Waverly Business area. However, the potential benefits to the City of Baltimore of the redevelopment of the Waverly Business Area will be great. The Parking Authority would be readily available to other City agencies, work-groups, and/or developers to assist with any on-street parking activity associated with this amendment to the Urban Renewal Plan.

Based on the above comments, the Parking Authority of Baltimore City supports the passage of City Council Bill 11-0684.
