The Honorable President and
Members of the City Council
City Hall, Room 400

October 17, 2022

The Department of Finance is herein reporting on City Council Bill 22-0122R, Informational Hearing—Public Safety and Surveillance Technology, the purpose of which is to discuss the acquisition and use of facial recognition surveillance technology by the City of Baltimore.

The Department of Finance supports the informational hearing. The Bureau of Procurement has no reports on procurements of face surveillance technology and contracting or subcontracting with an entity using face surveillance technology and will continue to work with stakeholders, such as Baltimore City Office of Information Technology, Department of Law, and Baltimore Police Department in their evaluation and procurement of technology products and services.

The Department of Finance will attend the hearing and answer any relevant questions.
