Re: City Council Bill 21-0126 – Supplemental General Fund Operating Appropriation – Board  
of Elections – \$600,000

Dear President and City Council Members:

The Law Department has reviewed City Council Bill 21-0126 for form and legal sufficiency. The bill provides a Supplementary General Fund Operating Appropriation in the amount of \$600,000 to the Baltimore City Board of Elections. The money is from excess Recordation Tax proceeds that had not been anticipated when balancing the budget for Fiscal Year 2021. The appropriation would go to pay for increased printing and other costs due to the COVID-19 pandemic. The bill is effective on the date it is enacted.

The City Charter establishes the criteria for making supplementary appropriations. City Charter, Art. VI, §8. Section 8(b)(3) of Article VI of the City Charter permits such a supplementary appropriation when there has been “a material change in circumstance or additional appropriations for new programs which could not reasonably be anticipated at the time of the formulation of the proposed Ordinance of Estimates” for the fiscal year. The supplementary appropriation must be recommended by the Board of Estimates and must be approved by the Mayor and City Council via an ordinance, which must identify the source of the funds and may only encompass a “single program, purpose, activity or project.” City Charter, Art. VI, §8(c). The Law Department approves this bill for form and legal sufficiency.

Very truly yours,

Hilary Ruley  
Chief Solicitor
