CONFORMITY TO PLANS

City Council Bill #10-0595/Sale of Property is consistent with the overall goals of the Harbor Point PUD. It also addresses the Comprehensive Plan's LIVE section, Goal 1 – Build Human and Social Capital by Strengthening Neighborhoods, Objective 2 – Strategically Redevelop Vacant Properties Throughout the City.

ANALYSIS

City Council Bill #10-0595 would authorize the City to sell all or a portion of two parcels of land known as "Canal Parcel" and "Lot 3" located in Ward 3, Section 7, Block 1816. They have been deemed no longer needed for public purposes. These parcels are located between two significant parcels of land and will be able to be consolidated with said adjacent parcels to facilitate additional development. The parcel to the north is owned by the Mayor and City Council and long-term leased to the Living Classrooms Foundation for their main campus. The combined parcels to the south form the Harbor Point Planned Unit Development (PUD) with its associated development plans.

Historically, these parcels, along with the one to the north were under water. On November 21, 1990, a Wetlands License No. 90-1157 dated November 21, 1990 was issued by the State of Maryland Board of Public Works, Wetlands Administration to the City to fill in the body of water that subsequently became these two parcels of land. Honeywell, rather than the City, performed all of the remedial work authorized by the License, and paid for the cost of the work, as well as a \$150,000 fee required under the License.

More recently, on July 8, 2010, the Planning Commission approved a horizontal and a vertical subdivision that created the canal parcel and Lot #3. The “Canal Parcel” (± 0.317 acre) will be addressed 1000 Wills Street. It is adjacent to Honeywell International, Inc. property. The new Lot 3 parcel is ± 0.149 acre in size and is newly created fast land. It is also adjacent to Honeywell International, Inc. property.

The City has therefore determined that the two parcels of land known as “Canal Parcel” and “Lot 3”, located in Ward 03, Section 7, Block 1816 are no longer needed for public purposes, can be declared surplus and sold.
