The Honorable President and  
Members of the City Council  
Room 400, City Hall

Attention: Ms. Karen Randle

City Council Bill #10-0608 has been introduced for the purpose of providing a General Fund supplementary appropriation of \$1,800,000 to the Department of General Services for asbestos remediation. The supplemental is needed to meet higher-than-expected asbestos remediation costs for public buildings. The funding source for this appropriation is asbestos litigation proceeds reserved for remediation projects.

The Department of Finance supports this legislation.
