RE: ORDINANCE 11-0698

I am herein reporting on City Council Bill 11-0698 introduced by Councilmembers Spector, Middleton, and Welch.

The Baltimore City Parking Authority, Inc. has reviewed the Bill modifying the boundaries of the Residential Parking Area for the Pimlico Race Track Area.

The Parking Authority has reviewed the Bill and believes that the proposed boundary modification for the Pimlico Race Track Residential Permit Parking Area is warranted. The boundaries for this Residential Permit Parking Area do not need to be as broad as they are currently, and the modification the Bill anticipates is appropriate at this time. Therefore, the Parking Authority supports the passage of Council Bill 11-0698.
