Dear Madam President and Members of the City Council,

This is written in support of City Council Bill 08-0087 which would add a representative from the Enoch Pratt Free Library to the Mayor's Commission on Disabilities. As a provider of information resource for all of Baltimore's citizens, we believe we can play an important role and be of assistance as the Commission fulfills it's mission.

We request your support of City Council Bill 08-0087 and thank you for your consideration

Sincerely,
