The Honorable President and
Members of the City Council
Room 400, City Hall

November 8th, 2017

City Council Bill #17-0148 was created for the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain parcels of land known as the former bed of Water Street, extending from Grant Street easterly 157 feet to South Calvert Street, and the former bed of Hollingsworth Street, extending southerly 159 feet to East Lombard Street. These are no longer needed for public use; and providing for a special effective date.

Parcel 1, formed by the intersection of South Calvert Street and Water Street, contains 3,144 square feet. Parcel 2, formed by the intersection of the north side of East Lombard Street and Hollingsworth Street, contains 2,393 square feet.

Since these parcels are no longer needed for public use, and there were no objections from various city agencies to declare the property as surplus, and since there is not a significant fiscal impact, the Department of Finance has no objection to the passage of Council Bill 17-0148.
