RE: Council Bill 16-0750

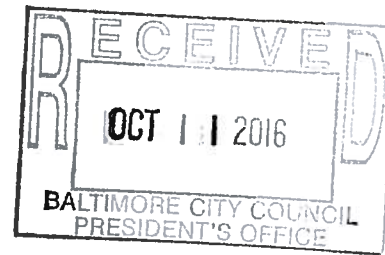

I am herein reporting on City Council Bill 16-0750 introduced by Councilmember Spector at the request of Washingtonville Limited Partnership.

The purpose of this bill is to approve certain amendments to the Development Plan of the Mt. Washington Mill Planned Unit Development.

The Parking Authority of Baltimore City (PABC) reviewed the proposed legislation, as well as the Department of Planning's report, and determined that there would be no negative impact to parking in the area as a result of this bill.

Based on the comments above, the Parking Authority of Baltimore City supports the passage of City Council Bill 16-0750.
