The Baltimore City Health Department (BCHD) is pleased to have the opportunity to respond to Council Bill 10-0447. The purpose of the bill is to permit the establishment, maintenance, and operation of housing for the elderly on the properties to be consolidated and presently known as 616, 618, 620, 622, 624, 626, 628, 630, and 634 Baker Street.

There is a continuing need in Baltimore City for housing for the frail and elderly, and we support the proposed project, assuming, of course, that its use will be compliant with all applicable legal requirements.
