RE: City Council Bill 08-0212

I am herein reporting on City Council Bill 08-0212 introduced by Councilmember William E. Cole IV at the request of The Vestry of Mount Calvary Church.

For the purpose of permitting, subject to certain conditions, the establishment, maintenance, and operation of an open off-street parking area on the property known as 801-833 Madison Avenue, as outlined in red on the accompanying plat.

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and has determined that there would be no negative fiscal or operational impacts to any administered parking programs for on-street parking activity and/or City-owned off-street parking facilities with the establishment of this parking area.

The Baltimore City Parking Authority, Inc. therefore supports the passage of City Council Bill 08-0212.
