Good day Councilman Eric Costello,

This email is in support of **Communicare** building a new assisted living campus at the former Grove Park Elementary School site.

Our family lives behind the school site and it would be nice to have an assisted living facility in the neighborhood to assist those in need . It would also be fantastic to offer programs to help nursing students gain knowledge in the healthcare industry. My family works in healthcare and aiding those in need as well as providing educational sources would be beneficial to those in and outside of the neighborhood.

With Regards,
