DATE:  
October 24, 2013

The Honorable President and Members  
of the Baltimore City Council  
c/o Karen Randle  
Room 400 – City Hall

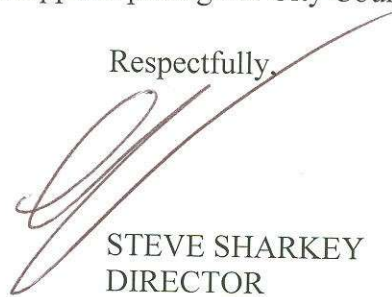

I am herein reporting on City Council Bill 13-0277 introduced by the Council President on behalf of the Administration (Department of Planning).

The purpose of the Bill is to transfer a Video Lottery Terminal Capital Appropriation in the amount of \$1,078,000 from the Department of Housing and Community Development (Account #9910-905692-9587) to the Department of Recreation and Parks (Account #9938-918032-9475 - \$453,000), to the Department of Transportation (Account #9950-916050-9528 - \$380,000), Baltimore Development Corporation (Account #9910-921100-9600 - \$130,000), and the Department of General Services (Account #9916-920020-9194 - \$115,000).

The portion of this supplemental appropriation to be transferred to the Department of General Services is to provide a capital budget appropriation in the amount of \$115,000 to assist the Enoch Pratt Free Library in identifying and implementing a parking solution for the Reisterstown Road Library branch, a community-identified project. The source for this funding is from the Mayor's Fiscal Year 2013-2014 Video Lottery Terminal Revenue Multi-Year Spending Plan, Pimlico Area Local Impact Aid. The Board of Estimates recommended this transfer at their October 16, 2013 meeting.

The Department of General Services supports passage of City Council Bill 13-0277.

Respectfully,

STEVE SHARKEY  
DIRECTOR
