	SUBJECT	City Council Bill # 15-0200R Valet Parking Program		

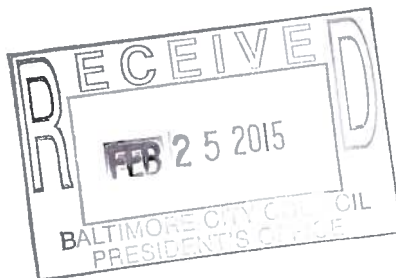

**TO**

The Honorable President and Members  
of the Baltimore City Council  
Attn: Natawna Austin, Executive Secretary

DATE: February 12, 2015

The Baltimore City Environmental Control Board (ECB) is pleased to have the opportunity to respond to Council Bill #12-0081, Valet Parking Program. The purpose of the bill is to implement a regulatory scheme for valet parking in Baltimore to include an application process, licensing process, and citation process for violators of the provision.

Since the approval of the bill, there have not been any citations issued and in the future the ECB anticipates that the number of citations that will be issued for a violation of the relevant provision will have no significant impact on ECB operations. For this reason ECB has no objections to this bill.
