

MEMORANDUM

TO: Honorable President and Members of the City Council
Attention: Karen Randle, Executive Secretary

FROM: Kim Clark, Acting President 

DATE: September 25, 2012

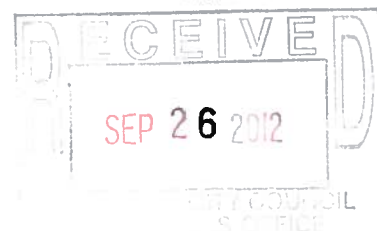

SUBJECT: City Council Bill No. 12-0105
Urban Renewal – Fells Point Waterfront – Amendment__

The Baltimore Development Corporation (BDC) does not support Council Bill 12-0105 regarding an amendment to the Fells Point Waterfront Urban Renewal Plan for the purpose of adding an additional promenade standard to regulate the number of newspaper vending boxes along the promenade without additional interpretation by the City Law Department.

At this time, there are existing standards and methods to regulate the number of newspaper vending boxes throughout the City. If those existing standards are deemed insufficient and the vending boxes become a public nuisance, BDC will reconsider its position at that time.
