TO

The Honorable President and Members  
of the City Council  
c/o Karen Randle  
Room 400 City Hall

October 13, 2011

I am herein reporting on City Council Bill 11-0741.

This bill exempts emergency vehicles operated by a volunteer ambulance service and licensed by the Maryland Institute for Emergency Medical Service Systems from certain parking, standing, and stopping regulations.

This bill simply exempts private, sufficiently licensed emergency vehicles from the same residential parking restrictions that other emergency vehicles already enjoy under current law. The Department of Transportation (DOT) has no objections to this bill.

Respectfully,

Khalil A. Zaied  
Director
