Dear Council President Young,

This letter is to inform you that as longtime residents of the Poppleton Community, we are eager to lend our support for the continuation of the La Cite Project. As Phase 1A of the project nears completion, we are convinced that this developer is more than capable of making this community an asset to the City of Baltimore.

Dan Bythewood and his partners deserve much praise for their commitment to the redevelopment of Poppleton in that we have been impacted in many positive ways. Livelihoods have changed for the better because neighborhood businesses and residents have found employment within the project. Property values of homeowners are increasing due to the influence that these beautiful new apartment buildings are having on this blighted area. The influx of a variety of incomes will stimulate growth and economic vitality. Also, other developers/investors are being drawn to our neighborhood as never before looking to get in on this revitalization.

As the former President of the Poppleton Now Community Association, I watched Mr. Bythewood fight vigorously to help this community when no one else seemed interested or cared. I am personally aware of the tough opposition he faced, yet he persevered. He has displayed his capabilities which are far greater than we could have ever imagined. The new buildings are spectacular, as well as the infrastructure and ambiance, therefore, we trust his vision for this neighborhood.

We are asking you and the council members to please vote YES to let this developer complete it's plan for the renewal of Poppleton.

Sincerely,

William and Yvonne Gunn

REQUEST: Review and Response to City Council Bill: City Council Bill 18-0243: Urban Renewal-
Poppleton- Amendment

RECOMMENDATION: CHAP has no objection to the amendment and defers to Planning.

STAFF: Stacy Montgomery

PETITIONER(S): Introduced by the Council President at the request of the Administration

SUMMARY: City Council Bill 18-0243 proposes to the Poppleton Urban Renewal Plan to reauthorize the acquisition of properties within the Project Area.

SITE/HISTORIC DISTRICT

The Poppleton neighborhood is located in west Baltimore, south of Route 40 and just west of Martin Luther King Jr Boulevard. A portion of the Union Square Historic District is within the plan area. Six Baltimore City Landmarks are located in the plan area.

BACKGROUND

There are no previous Commission actions on this matter.

PROPOSAL

Bill 18-0243 Urban Renewal – Poppleton – Amendment reauthorizes the plan’s powers of acquisition, which must be reauthorized every four years. HCD is actively acquiring properties identified in the Urban Renewal Plan. No new properties are being added to the existing list, but those already acquired are being removed through the amendment.

ANALYSIS

CHAP staff finds that the proposed amendments will have no impact on designated historic properties as the amendments address use and have no physical impact on locally designated historic resources.

Staff recommends a finding of no objection and deferment to Planning.

REQUEST: City Council Bill #18-0243 / Urban Renewal – Poppleton – Amendment

For the purpose of amending the Urban Renewal Plan for Poppleton to reauthorize the acquisition of properties within the Project Area; waiving certain content and procedural requirements; making the provisions of this Ordinance severable; providing for the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

RECOMMENDATION: Approval

STAFF: Tamara Woods

PETITIONER(S): The Administration (Department of Housing and Community Development)

HISTORY

- The Poppleton Urban Renewal Plan (URP) was established by Ord. #75-837, dated March 31, 1975.
- The latest amendment was Amendment No. 12, dated January 31, 2011, approved by the Mayor and City Council of Baltimore by Ordinance No. 11-451, dated May 26, 2011.
- Ordinance 14-299 was enacted on October 1, 2014 to extend the acquisition authority for four years.

ANALYSIS

Maryland Law Amendment: In July of 2007, an amendment to the Maryland Annotated Code, Real Estate, Title 12 was made that requires an action for condemnation to be filed within four years of an authorization for acquisition. If that cannot be accomplished, then the authorization must be renewed:

§ 12-105.1. Condemnation action to acquire private property.

- (a) Time limitation.- Notwithstanding any other provision of law, the State or any of its instrumentalities or political subdivisions shall file an action to acquire private property for public use by condemnation within 4 years of the date of the specific administrative or legislative authorization to acquire the property.
- (b) New authorization.- If an action for condemnation is not filed within 4 years of the date described in subsection (a) of this section, the State or any of its instrumentalities or political subdivisions may not proceed with condemnation until it first obtains a new authorization to acquire the property. [2007, ch. 305]

The effect of this change in the Maryland Annotated Code is that all Urban Renewal Plans (URPs) that have designated properties for acquisition and disposition that have not yet been

acted upon now need to be expressly confirmed and reauthorized every four years, for the life of the URP. Therefore, since four years have nearly elapsed since the date of the previous reauthorization in 2014, amendments to several Urban Renewal Plans are necessary in order to reauthorize each URP's powers of acquisition and condemnation. With each reauthorization, those actions may legally continue beyond December 31, 2018 until December 31, 2022.

While these URPs are being amended, there are also technical amendments to some of the URPs to remove properties which have already been acquired and disposed of and an extension of the life of two of the URPs which would otherwise terminate on their own terms prior to the end of the reauthorization period. To that end, the Department of Housing and Community Development (HCD) has introduced a group of bills with the goal of adoption before the December 31, 2018 acquisition authority expiration, to ensure that the City's acquisition authority is seamless. In addition, City Councilmember Bill Henry has introduced a separate bill to extend the acquisition authority for the York-Woodbourne Urban Renewal Plan area. The group includes the following bills:

- City Council Bill #18- 0241- Urban Renewal - Druid Heights
- City Council Bill #18-0242- Urban Renewal - Broadway East
- City Council Bill #18-0243- Urban Renewal - Poppleton
- City Council Bill #18-0244- Urban Renewal - Oliver
- City Council Bill #18-0245- Urban Renewal - Park Heights
- City Council Bill #18-0246- Urban Renewal - Coldstream Homestead Montebello (aka CHM)
- City Council Bill #18-0247- Urban Renewal - Johnston Square - Amendment
- City Council Bill #18-0248- Urban Renewal - Middle East
- City Council Bill #18-0252- Urban Renewal - York-Woodbourne Business Area

Effect of the Bill: The change proposed to this URP is technical in nature and required to reauthorize the acquisition authority of the URP. The specific changes follow:

- In the Plan, amend C.1.d. to read: "d. THE AUTHORITY TO ACQUIRE THE PROPERTIES WITHIN THE PROJECT AREA IS EXPRESSLY CONFIRMED AND REAUTHORIZED THROUGH AND INCLUDING DECEMBER 31, 2022." This is the express reauthorization of the acquisition authority for the next four year period. This does not materially affect the purposes of the URP, and is required to comply with the requirements of the State of Maryland under the Maryland Annotated Code, as outlined above.

Community Notice: Article 13, *Housing and Urban Renewal*, is the section of the City Code that outlines the processes for establishment of and amendments to URPs. For new URPs, or major changes, § 2-6(d) outlines the notice procedures, and include postings within the neighborhood, and two newspaper notices (one per week for two weeks) prior to the first public hearing.

For amendments to URPs, under § 2-6(g)(3) the amending bills are required to go through the same procedure as for adoption, that is, a City Council ordinance process. However, "If the Planning Commission determines that the proposed amendment is a technical correction or a

minor modification that would not substantially affect the Plan or the size, use, or disposition of any property subject to the Plan, the proposed amendment need not be posted or advertised as otherwise required by subsection (d) of this section.”

Minor Modifications: The amendments proposed to these URPs are necessary to extend the time allowed for the City to continue with implementation of these plans through the acquisition of designated properties. Additionally, where the city has already disposed of designated properties the acquisition and disposition lists have been updated to remove those properties.

Staff recommends that the Planning Commission first make and adopt the following finding:

- That the amendment to the URP as proposed in this bill is technical in nature, and it does not substantially affect the Plan, its size, or the use or disposition of any property subject to the Plan.

In addition, after making the finding of the technical nature of the bill, Staff recommends that the Planning Commission recommend approval of City Council Bill #18-0243.

Staff Notification: Staff notified 39 community organizations of today’s hearing, the City Council President and all of the affected City Councilmembers. In addition, the Department of Housing and Community Development set up a special email address for constituents that may have questions about their suite of bills Also, on June 12, 2018, the Planning Department, in conjunction with the Department of Housing and Community Development, hosted a public informational meeting for the suite of Administration bills.

Dear President and City Council Members:

The Law Department has reviewed City Council Bill 18-0243 for form and legal sufficiency. The bill reauthorizes, for an additional four years, the currently existing condemnation authority for properties located in the Poppleton Urban Renewal Area. Reauthorization is required to comply with Section 12-105.1 of the Real Property Article of the Maryland Code, which was enacted in 2007. This law terminated any then existing state or local condemnation authority as of July 1, 2011 and required that it be reauthorized. See 2007 Laws of Md., ch. 305, §3. The first reauthorization was done via City Council Bill 11-0648. This bill is the next required reauthorization of the existing condemnation authority for the Poppleton Urban Renewal Area.

Any changes in an Urban Renewal plan, such as this change, must be made by ordinance. City Code, Art. 13, §2-6(g). Accordingly, the Law Department approves City Council Bill 18-0243 for form and legal sufficiency.

Very truly yours,

Hilary Ruley

Re: City Council Bill 18-0243 Urban Renewal – Poppleton - Amendment

The Department of Housing and Community Development (HCD) has reviewed City Council Bill 18-0243, for the purpose of amending the Urban Renewal Plan (URP) for Poppleton to reauthorize the acquisition of properties within the Project Area; waiving certain content and procedural requirements; making the provisions of this Ordinance severable; providing for the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

If enacted, this bill would An amendment to the URP for Poppleton is necessary to reauthorize the Plan's powers of acquisition and condemnation for another four years, until December 31, 2022 so that these actions may legally continue, in compliance with § 12-105.1 of the Real Property Article of the Annotated Code of Maryland. Without this reauthorization, the authority to acquire property under the Plan will terminate on December 31, 2018.

The renewal of the acquisition authority is important to assist with addressing the concentration of blight and facilitating the rehabilitation and reinvestment of the neighborhood in accordance with the Poppleton URP.

The Department of Housing and Community Development strongly encourages the passage of City Council Bill 18-0243.
