 - III. Made city government services more efficient;
 - IV. Made city government services more sustainable

- 2) Identify key performance indicators, benchmarks, and targets related to:
 - I. Equity, as defined in Article 1, § 39-1 of the Baltimore City Code;
 - II. Population Growth;
 - III. Labor and Employment;
 - IV. Economic Growth, especially the growth of minority and women-owned businesses; and,
 - V. Community Benefit

Recovery Office Accomplishments

Since the last report, the Mayor’s Office of Recovery Programs announced new commitments for three new projects with the Enoch Pratt Library System. Please see the [funding announcement](#) for more information.

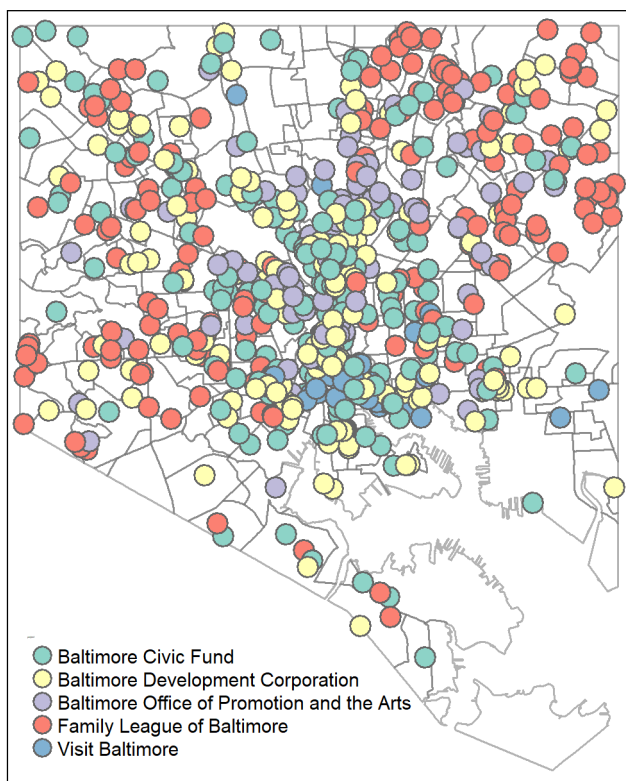

The Mayor’s Office of Recovery Programs awarded ARPA funding to 45 nonprofit organizations. As of February 2023, a total of 42 nonprofits have received disbursements totaling \$11.7M. In February alone, the Recovery Office disbursed \$2.8M. Further, a total of 35 nonprofits have started expending funds—at a total of \$4.59M.

Subawardee Accomplishments

Economic Recovery Fund

Eight hundred twenty-three grants, totaling \$15,978,141, have been awarded from Economic Recovery Fund fiscal agents to beneficiaries, including nonprofits and small businesses (the complete list of organizations is in the appendix). The map below indicates the location of all organizations funded through February 2023. Please note that some nonprofit organizations funded by BCF used their headquarters address on funding applications. The map may not specifically depict the location where services are rendered, however, sub-awardees provide services to a wide variety of neighborhoods across the City.

Figure 1: Organizations Funded by the Economic Recovery Fund

Baltimore Civic Fund (BCF) Economic Recovery Assistance

BCF is in the process of issuing an Electronic Funds Transfer to one of its awardees, which will complete all payments to nonprofit awardees. BCF will be expending its final dollars for its \$8.3 million grant award by July 2023, when the cohort of participating nonprofits completing the technical assistance program will complete their program. Following that, there will be no additional updates until BCF provides 6- and 12-month follow-ups on its Round 2 beneficiaries in the coming months.

Baltimore Development Corporation (BDC) Economic Recovery Assistance

BDC is still in the process of paying small business grantees. BDC did not provide required monthly data to the Recovery Office. According to BDC, the lack of data submission is due to staffing transitions, and they expect to provide updated data by the next data submission deadline.

Visit Baltimore Economic Recovery Assistance

Visit Baltimore has fully expended its award and will not have a new status update until the 12-month follow-up survey, which will be conducted in April 2023.

Family League Economic Recovery Assistance

The Family League of Baltimore City has expended its \$2 million grant award and disbursed funds to 182 child daycare providers. Subsequently, FLBC has completed reporting on the performance of its beneficiaries.

CASH Campaign - Guaranteed Income Pilot

The February payments to Guaranteed Income participants were successfully delivered. Since the onboarding process concluded, many participants have already improved their housing and working circumstances. While many participants rent apartments or live in multi-generational households, there were 26 participants who identified as unhoused when the program began. CASH Campaign has confirmed that those in the story-telling cohort have found secure housing or are beginning the process to secure housing.

In February, three participants contacted CASH to receive a program verification letter to secure housing. CASH continues to receive approximately three letters per week from leasing offices to verify participants' income.

Finally, there were some concerns that payments from the pilot program might interfere with government benefits. CASH has not yet been notified of any impact on participants' eligibility for public benefits. Should eligibility concerns occur, CASH will use funding from its hold-harmless fund to assist pilot program participants.

City Agencies Accomplishments

Baltimore City Recreation and Parks (BCRP)

BCRP is still in the process of getting Purchase Orders for playground projects at Radecke Park, Indiana Ave., Silverbell, and Shipley Hill. BCRP is continuing to work with procurement to process requisitions for several athletic court projects, though POs were issued for Johnston Square and Luzerne Ave. courts. The Greater Model pool, Gardenville Recreation Center, and Curtis Bay Recreation Center are currently in the design phase. Surveying of the Middle Branch Trail was completed. BCRP will conduct additional community outreach in April around the Curtis Bay Recreation Center. Baltimore City Schools is in the process of finalizing the award for the Furley Recreation Center with all necessary ARPA language included.

Baltimore City Health Department (BCHD)

The vaccination RFP has closed and the BCHD team is working on making vendor selections. In addition, the Communications team held a briefing between the BCHD Commissioner and local reporters to discuss the end of the public health emergency. The main purpose was to mitigate any negative stories that might result from the uncertainty surrounding the impact of the announcement and to generate positive press about BCHD's efforts and accomplishments during the pandemic and the agency's intentions to continue providing free vaccines and tests to the uninsured.

Other BCHD efforts and accomplishments include the following:

- Working with Johns Hopkins to conduct focus groups to test multiple messages to better convince the unvaccinated to get vaccinated
- Developing and posting video on social media of BCHD Commissioner discussing what the end of the public health emergency means and the agency's continued efforts to combat COVID-19
- Facilitating a live interview between BCHD Commissioner and WBFF morning anchor about the end of public health emergency's impact on Baltimore
- Provided interview and information to various media outlets closure of the state testing facility. and the end of the public health emergency

- Developed informational materials for BCHD’s Homebound program to inform BCHD’s partners and public that homebound residents, their caregivers and adult family members can receive COVID vaccinations from the comfort of their homes

Broadband and Digital Equity (BDE)

BDE is working to update the Digital Equity Framework in partnership with several organizations through a workgroup process. The third convening of the group occurred on February 17th. In addition, BDE and HABC hosted an Affordable Connectivity Program (ACP) enrollment event at Gilmore Homes on March 18th in partnership with NPower and PCs for People. A calendar of upcoming ACP events will be provided in the coming weeks.

BDE is coordinating with the Baltimore Civic Fund to release The Digital Equity Fund Notice of Funding Opportunity, which is expected to be released this spring. The agreement with BCF for this work is on the April 5, 2023, Board of Estimates agenda.

Department of General Services

DGS is currently awaiting the delivery of the vehicles in order to perform upfitting to BPD’s specifications.

Mayor’s Office of Homeless Services (MOHS)

As part of the Housing Navigation and Landlord Engagement grant, MOHS has established its landlord database and interviews have been held for five Housing Coordinator positions in collaboration with the Enoch Pratt Library. The partnership will result in access to city-wide, community based, onsite housing services for city residents experiencing homelessness.

The three Housing Identification Specialist positions have been posted and there many interested internal candidates. Applications have been submitted to the Civic Fund for both the Flex (e.g., Rapid Resolution and Shelter Diversion Fund) and Landlord Incentive (e.g., Housing Navigation and Landlord Engagement) Funds.

The Rapid Rehousing programs (e.g., Shelter Demobilization) have received 25 referrals for eligible recipients in need of immediate shelter.

Mayor’s Office of Neighborhood Safety and Engagement (MONSE)

MONSE piloted the Group Violence Reduction Strategy in the Western District in January 2022 and momentum remains strong, with a 58.3% year-over-year decrease in homicides and non-fatal shootings as of March 7, 2023. The agency scaled the strategy to the Southwestern District starting in early January 2023. As of March 7th, there has been a 39.3% reduction in homicides and non-fatal shootings in comparison to this time last year. MONSE is preparing for expansion to a third district - the Central District - in the second quarter of 2023.

The fiscal and grant team announced the 5th Round of ARPA awardees (3 competitive and 2 direct selections), and the 6th round of awardees were invited to apply. The deadline for 6th round of applications was on March 14th.

In the community engagement and opportunity lane, MONSE and DPSCS agreed that DPSCS should be the fiduciary for the entire Returning Citizens Behind the Wall (RCBTW) project to reduce risks and avoid scope creep and/or changing the project purpose for paying work detail participants. DPSCS will make modification requests as appropriate to the MOU and will send to MONSE for review and finalization after appropriate legal sufficiency and other required approvals.

MONSE will host several re-entry forums at the end of March and in April for justice-involved persons, including advocates, and other supporters, and organizations providing direct services to support re-entry. The Community Re-Entry Forums are scheduled for the following:

- Tuesday, 3/28/2023 (Target population: men) Time: 6:30p-7:45p Host: H.O.P.E Foundation Location: 811 Cathedral Street
- Thursday, 3/30/2023 (target population: Hispanic/limited English speakers) Time: 1:00p-2:00p Location: Virginia S. Baker Recreation Center (2601 E. Baltimore St. 21224)
- Wednesday, 4/5/2023 (target population: women) Time: 11:00a-12:15p Host: PIVOT Location: 901 E. Milton Ave. 21205 Thursday, 4/20/2023 (target population: youth/juveniles) Time: 3:00p-5:00p

- MONSE is also planning engagement during Re-entry Awareness Week April 26-30.

Mayor's Office of Employment Development (MOED)

Seventeen Train Up Occupational Skills training providers continue to provide services, including seven funded by City ARPA. All Support Services and Community Connectors contracts are also in place and services are in place. A total of 501 participants enrolled in Train Up Occupational Skills Training, of whom 192 are with City ARPA-funded programs. In total (including City and State ARPA-funded programs), 214 enrollees have obtained certifications, 281 have completed their training, and 115 have gained employment with an average hourly wage of \$18.48, well above the target of \$15.00. This count does not include an additional 17 jobs reported in early February. Many participants are still in training and the remaining completers are still in their job search phase.

A total of 214 unemployed/underemployed Baltimore City residents have received subsidized employment through Hire Up. Of these, 93 are funded by City ARPA. Including State-funded slots, 42 of those who remained in the program at least two weeks have transitioned to unsubsidized employment, 38 of whom reported an entry wage of \$15/hour or higher. MOED has developed partnerships with two additional worksites: Enoch Pratt Free Library and M&T Bank. Worksites also include: the Baltimore City Department of Transportation, Department of Finance, Baltimore City Recreation and Parks Department, Department of Public Works, Parking Authority of Baltimore City, Downtown Partnership of Baltimore, the Mayor's Office of African American Male Engagement and MOED.

Hire Up and Train Up Project Managers continue to coordinate with two legal services providers, Maryland Legal Aid and Maryland Volunteer Lawyers Service as well as Associated Catholic Charities to provide behavioral health services. To date, at least 47 participants have taken advantage of free legal services. 81 people have received group or individual behavioral health services. MOED is meeting regularly with Legal and Behavioral Health partners to identify and implement strategies to increase utilization of these services.

Through the Small Business Wage Subsidy, a total of 362 unemployed or underemployed residents have been hired at small, minority- or woman-owned businesses, and 260 subsidies have been paid to businesses thus far (paid upon 10 weeks of employment). Of these, 201 subsidies are supported by City ARPA; 96% of impacted business owners state they intend to hire their new staff permanently after 10 weeks, and 80% of these new hires are still working with the impacted businesses 6 months later.

The YouthWorks 2023 portal remains open through April 7 for Baltimore City youth ages 14-21 to register and April 14 for worksites to register. Over 6,650 youth and 240 worksites have registered online. The 5-week program will operate from July 10 to August 11. YouthWorks Academy began

February 6 and will provide job readiness and pre-employment opportunities to approximately 105 youth. Youth Advisory Council begins March 13 and will employ 10 youth as staff advising the Youthworks team.

The Let's Ride To Work Program, in partnership with Lyft, provides up to 40 rides for newly hired employees working in Baltimore City. Thus far, 173 clients have received a total of 4,500 rides. Based on a recent survey, 100% of respondents found these services "very helpful."

Mayor's Office of Performance and Innovation

OPI continues their informational work sessions with all 16 city agencies which includes an hour long walk through of the template to build agency performance measures. This phase of implementation is the first round of performance planning.

Mayor's Office of Immigrant Affairs (MIMA)

Lutheran Immigration and Refugee Service (LIRS) has completed drafting and populating the database with all intake forms, activity guidelines and tasks, SOPs, and trainings related to the Baltimore New Americans Access Coalition (BNAAC). All sub-grantees have begun client intake. In addition, outreach efforts are well underway by both Community Based Organizations (CBOs) and MIMA staff to raise program awareness. Finally, all program materials have been translated into 11 different languages.

BNAAC Advancing with Resources recently presented to the MIMA Community Advisory Board, The Asian American and Pacific Islander (AAPI) Advisory Board, and the MIMA Community Stakeholder meeting to share information about the BNAAC Project with community stakeholders. The project has also outreached to and set up referral pathways with 211MD and City Schools. In the upcoming months, MIMA will be at resource fairs and community events such as the Falstaff Resource Fair, Northern Parkway GROW Center, Dia del Nino. as well as parent presentations at Hampstead Hill and with Kids in Need of Defense.

Baltimore Digital Team - Digital Services

The Director of Digital Services joined the City of Baltimore on January 3, 2023. As of the end of March 2023, the four-person team is fully staffed and has identified their first set of projects in coordination with City leaders.

Department of Housing and Community Development (DHCD)/Housing

DHCD has executed Public Works Developers Agreements for the "Pathways to Neighborhood Equity Breaking Logjams that Delay Transformation: Uplands Project" and has also received BOE approved Loan Agreements for the Rental 2A and 2B vertical construction agreements. Participation rates have been assigned for all infrastructure and vertical construction rental projects. The developer is working with the General Contractor to obtain the required Statements of Intent.

Department of Planning (DOP)

Food Insecurity:

In February, the Food Policy and Planning Division (FPP) worked on three ARPA Subgrant Agreements and three ARPA Contracts with MORP, Law, Procurement, and our partners with a goal of bringing them to the BOE in March and April so the programs can officially launch. In

addition, FPP distributed 8,900 produce boxes at 32 community sites in February, totaling 934,500 servings of fruits and vegetables for residents in Healthy Food Priority Areas.

Clean Corp:

A press conference was held to kick off the Clean Corps program on Monday, Feb. 8. Broadway East CDC held two job fairs in February and another grantee, Bon Secours held an additional job fair in February. The Lazarus Rite started on Feb. 21 to clean alleys within their neighborhoods.

A list of privately-owned lots that did not have open citations was submitted to Code Enforcement. The lots will also be issued citations for tall grass and weeds during the upcoming warmer months.

Performance Measures and Metrics

As previously noted, many agencies are still fully designing and implementing programs; therefore, data are limited. A select number of performance measures are included in Table 3. Measures should not be viewed as underperforming since many programs or data collection are just beginning. The Recovery Office will continue to coordinate with subrecipients on measure accuracy. Additional data on performance measures will be included in Council reports as programs are further implemented, and data becomes available.

Note: Data as of February 2023.

The Recovery Office anticipates including some targets and benchmarks for agency performance during the FY23 period of performance. As we continue to work coordinate with ARPA subrecipients on performance measures and goals, this report includes narrative information on agency accomplishments to date.

Population, Labor & Employment Growth

Council legislation requires critical performance indicators, benchmarks, and targets related to population growth. No data source exists that would demonstrate population growth on a monthly basis. In addition, some ARPA funding may be used for programs and initiatives that could result in population growth. However, such instances would be anecdotal in nature and cannot be positively correlated to ARPA.

The Mayor’s Office of Recovery Programs continues to make significant progress in the awarding of ARPA funds, the monitoring of agency and organization’s progress, and in the accountability and transparency in the use of these funds. Information on awards, reports, and the public-facing dashboard can be found at arp.baltimorecity.gov.
