TO: Bernard "Jack" Young, City Council President  
FROM: Peter Little, Executive Director  
DATE: April 25, 2013  
RE: City Council Bill 13-0210

I am herein reporting on City Council Bill 13-0210 introduced by Council Member Cole at the request of 301 East Lombard Development, LLC

The purpose of this bill is to permit, subject to certain conditions, the establishment, maintenance and operation of an open off-street parking area on the property known as 301 East Lombard Street.

The Baltimore City Parking Authority has reviewed the proposed legislation and determined that there would be no negative impact, as a result of this legislation, to parking in the area. The Parking Authority of Baltimore City will be available for assistance if and when development is planned for this site.

Based on the above comments, the Baltimore City Parking Authority supports the passage of City Council Bill 13-0210.
