RE: Council Bill 11-0713

PARKING
OF BALTIMORE CITY
AUTHORITY

I am herein reporting on City Council Bill 11-0713 introduced by Council President Young at the request of The Administration (Department of General Services).

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation regarding the City's sale of all its interest in a certain property known as former beds of (1) a 10-foot portion of Foster Avenue, contiguous to the south side thereof and extending from Oldham Street Westerly 356.0 feet, more or less, and (2) a 7-foot portion of Fait Avenue, contiguous to the north side thereof and extending from Oldham Street Westerly 729.0 feet, more or less, to the CSX Transportation, Inc., Railroad Right of Way and no longer needed for public use; and providing for a special effective date

Sale of this property will have no impact to parking in that area.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 11-0713.
