TO

The Honorable President and Members
of the Baltimore City Council
c/o Karen Randle
Room 400 - City Hall

I am herein reporting on City Council Bill 08-0222 introduced by Councilwoman Spector.

The purpose of the Bill is to name an unnamed alley, located between West Northern Parkway and St. Georges Road and parallel with Roland Avenue and Falls Road, Gascony Lane.

The unnamed alley is located in the neighborhood of North Roland Park. The 20-foot wide alley is located perpendicular to and between West Northern Parkway and St. Georges Road, and runs adjacent to the east property lines of 900 West Northern Parkway and 903 St. Georges Road. The alley is bisected by another 20 foot alley. The properties known as 900 West Northern Parkway, 811 and 903 St. Georges Road, and 5498, 5500, and 5502 Lombardy Place abut the alley. All abutting property owners have signed a petition to name this unnamed alley Gascony Lane.

Article 26 §7-5 of the Baltimore City Revised Code requires a majority of owners of any private street to file a petition with the Department of Public Works requesting to name a street and, should such a request be reported as acceptable to Public Works, seek approval from the Mayor and City Council through the introduction of an ordinance. This Department has received the required petition, has examined its records and consulted with the U.S. Postal Service, and finds the request to name this unnamed 20-foot wide alley Gascony Lane acceptable. Should the legislation be approved, the City will post appropriate street signs and the new name will be entered upon the official maps, plats, and records of the City.

Based on these findings, the Department of Public Works supports passage of City Council Bill 08-0222.
