RE: City Council Bill 08-0099

I am herein reporting on City Council Bill 08-0099 introduced by Council President Stephanie Rawlings-Blake at the request of The Comptroller (Department of Real Estate).

For the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in a certain property known as SES Roland Heights Avenue SWC Evans Chapel Road (Block 4917, Lot 18) and no longer needed for public use; and providing for a special effective date.

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and examined the property and supports the Bill. The Parking Authority has determined that there would be no negative fiscal or operational impacts to any administered parking programs for on-street parking activity and/or City-owned off-street parking facilities as a result of the sale of this property.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 08-0099.
