RE: City Council Bill 08-0236

PARKING
OF BALTIMORE CITY
AUTHORITY

I am herein reporting on City Council Bill 08-0236 introduced by Council President Stephanie Rawlings-Blake at the request of The Administration (Department of Public Works).

For the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in a certain parcel of land known as the former bed of Diamond Street, extending from Fayette Street, northerly 195.2 feet, more or less, and no longer needed for public use; and providing for a special effective date.

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and has determined that there would be no negative fiscal or operational impacts to any administered parking programs for on-street parking activity and/or City-owned off-street parking facilities as a result of the sale of this property.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 08-0236.
