## **Analysis**

If approved, City Council Resolution 21-0067R would grant the holder of a Class B-D-7 BWL license issued for use at 3351 Greenmount Avenue, authority to apply to the Board of Liquor License Commissioners for a Class A-7 BWL license.

### **Board of Liquor License Commissioners for Baltimore City**

The State of Maryland grants the Board authority to issue beer, wine and liquor licenses (BWL). In its deliberations, the Board determines whether a license is reasonably necessary for the convenience of the public. The Board also considers the number of beer, wine, and liquor outlets in a given area and the number of days the outlets are open, rather than the nature of the outlets.

### **Exchange of Class B-D-7 License**

Section 12-902.1(d)(1) of the Alcoholic Beverages Article of the Annotated Code of Maryland authorizes a license holder of a valid Class B-D-7 BWL license issued on or before July 1, 2018, to apply to the Board to exchange the license for a Class A-7 BWL license if the license holder first obtains approval by resolution of the Baltimore City Council. The Board may not issue a Class A-7 BWL license on or after July 1, 2022.

### **Class B-D-7 Beer, Wine and Liquor License**

The Class B-D-7 beer, wine and liquor license holder is authorized to sell beer, wine, and liquor at retail at the place described in the license, for on- and off-premises consumption.

The hours of operation for Class B-D-7 license holders are 9 a.m. to 2:00 a.m. The annual license fee is \$1,320.
