The Baltimore City Health Department (BCHD) is pleased to have the opportunity to review Council Bill #20-0515, entitled, “Bond Issue - School Loan - \$38,000,000.” The purpose of this legislation is to issue a bond for \$38,000,000 to finance school construction.

In part, Council Bill #20-0515 will help construct “community health” facilities and potentially modernize and/or expand health facilities in current Baltimore City Public School System buildings in which BCHD operates health suites and School-Based Health Centers. For these reasons, BCHD supports this legislation and requests a **favorable report**.
