TO The Honorable President and
 Members of the City Council
 Room 400, City Hall

DATE: February 11, 2014

Attention: Ms. Karen Randle

City Council Bill #14-0305 is intended to establish a regulatory structure for mobile vendors that will facilitate the growth of this burgeoning sector of the city's economy while ensuring that it complies with health, sanitation and parking rules and is not disruptive to other businesses, public parks and rights-of-way, public safety, etc. The bill gives the Department of General Services (DGS) lead responsibility for overseeing mobile vendors and enables DGS to put in place a streamlined licensing and enforcement process.

The Finance Department supports adoption of Council Bill #14-0305 and is currently in discussions with DGS about implementation issues related to the bill.
