	SUBJECT	Response to City Council Bill 12-0032		

DATE: March 2, 2012

TO The Honorable President and
Members of the City Council
C/O Karen Randle
Room 409, City Hall

Attention: Karen Randle

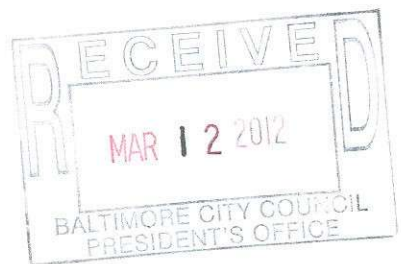

The purpose of City Council Bill 12-0032 is to establish the Public School Construction and Renovation Special Fund. This would be a non-lapsing fund for appropriations and contributions, grants or gifts for new school construction and the renovation and improvement of existing school buildings.

- This fund is authorized by Article I, Section 12 of the Baltimore City Charter ("Special Funds for Education").

The establishment of a new special fund does not in and of itself have any fiscal impact. The Finance Department has no objection to this bill.
