The Honorable President and Members
of the City Council

Room 400 City Hall

June 19, 2014

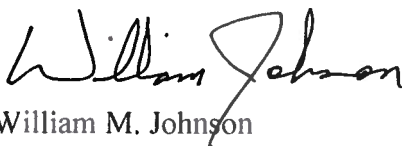

I am herein reporting on City Council Bill 14-0402, Supplementary General Fund Operating Appropriation – Department of Transportation - \$2,000,000. This bill provides a supplemental appropriation of \$2,000,000 to Service 690, Complete Streets and Sustainable Transportation, to provide funding for Charm City Circulator operations.

The Department of Transportation (DOT) supports this bill.

During Fiscal 2014, DOT received a grant from the Maryland Transit Administration for continued or improved operation of public transportation within the City of Baltimore (“City”), specifically to support Charm City Circulator operations. The request for supplemental appropriation will allow DOT to receive these grant funds and to report grant receipt during the appropriate State and City fiscal year. This grant award was not anticipated during the creation of the Fiscal 2014 budget.

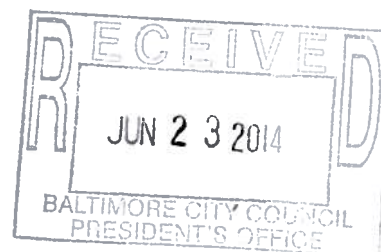

Thank you for this opportunity to comment.

Respectfully,

William M. Johnson
Director
