I am herein reporting on City Council Bill 13-0259, Zoning - Conditional Use Parking, Open Off-Street Area, for the Parking of 4 or more Automobiles - 316 South Loudon Avenue, for permitting, subject to certain conditions, the establishment, maintenance, and operation of a parking, open off-street area, for the parking of 4 or more automobiles on the property known as 316 South Loudon Avenue, as outlined in red on the accompanying plat.

The Department of Transportation (DOT) has no objections to this bill. This conditional use change does not require a traffic impact study, and its use as a parking lot is not anticipated to significantly impact traffic. Thank you for this opportunity to comment.

Respectfully,

William M. Johnson
Director
