TO

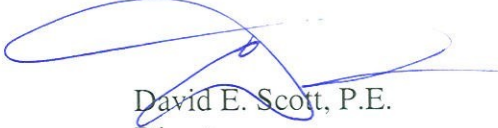

The Honorable President and Members
of the Baltimore City Council
c/o Karen Randle
Room 400 - City Hall

I am herein reporting on City Council Bill 09-0422 introduced by Council President Rawlings Blake on behalf of the Comptroller (Department of Real Estate).

The purpose of the Bill is to authorize the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain property known as Block 5216, Lot 057 and no longer needed for public use.

The subject property is an unimproved lot measuring approximately 10 feet wide by 39 feet long. This descriptive parcel is located on the northern side of a 15 foot wide alley to the rear of the properties known as 622 and 624 Willow Avenue. Having checked our records, there are no utilities or other interests that would be affected by the proposed sale.

Based on these findings, the Department of Public Works supports the passage of City Council Bill 09-0422.
