CITY of  
BALTIMORE  
**MEMO**

**TO** DATE: April 4, 2013

The Honorable President and Members  
of the Baltimore City Council  
c/o Karen Randle  
Room 400 – City Hall

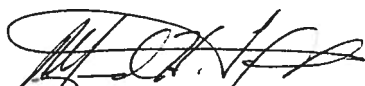

I am herein reporting on City Council Bill 13-0196 introduced by the Council President on behalf of the Administration (Department of Housing and Community Development).

The purpose of the Bill is to authorize the Mayor and City Council of Baltimore to sell, at either public or private sale, all of its interest in certain property known as 501 Orkney Road (Block 5136A, Lot 11) and no longer needed for public use.

The subject property is located on the south side of Orkney Road, approximately 150 feet east of the intersection with York Road. The parcel is approximately 50 feet wide by 200 feet long and is improved with a detached single family structure. Disposition of this property would allow for it to return to the tax rolls and to productive use. There are no easements or other interests affected by the proposed sale.

The Department of Public Works supports passage of City Council Bill 13-0196.

Respectfully,

  
ALFRED H. FOXX  
DIRECTOR
