TO

The Honorable President and Members
of the Baltimore City Council
c/o Karen Randle
Room 400 City Hall

I am herein reporting on City Council Bill No. 09-0370.

Planned Unit Development – Designation – Irvington Knolls

For the purpose of repealing the existing Development Plan for the Irvington Knolls Village Planned Unit Development and approving a new Development Plan for the Irvington Knolls Planned Unit Development.

The Department of Transportation has reviewed City Council Bill 09-0370. The DOT Planning Section has worked with the developer to address traffic impact related to the proposed construction. DOT supports passage of the bill, assuming that the developer signs a DOT-approved traffic mitigation agreement prior to the bill's third reading and final vote.

The Department of Transportation has no objections to the passage of this bill.

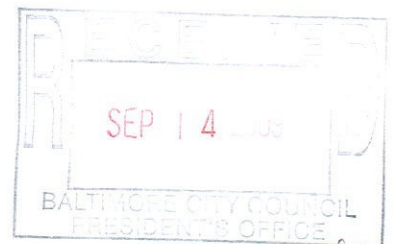

Respectfully,

ALFRED H. FOXX
DIRECTOR
