SUBJECT: City Council Bill No. 09-0331  
Newly Constructed Dwellings – Property Tax Credit - Reauthorization

---

The Baltimore Development Corporation (BDC) fully supports City Council Bill No. 09-0331 as it will extend helpful property tax credits for newly constructed dwellings to citizens and residents in the City of Baltimore. The extension of this program should foster growth and expansion in the residential sector of the city and will positively impact and increase the City's tax base. BDC respectfully request that this bill be given favorable consideration by the City Council.
