	SUBJECT	Council Resolution 23-0179R	

DATE: 7/10/2023

TO: Mayor Brandon Scott
TO: Health, Environment & Technology Committee
FROM: Department of Transportation
POSITION: **Support**
SUBJECT: Council Resolution 23-0179R

INTRODUCTION - Informational Hearing - Gas Regulator Installation Location

PURPOSE/PLANS - For the purpose of inviting representatives from the Department of Public Works, the Commission for Historical and Architectural Preservation, the Baltimore Gas and Electric Company, and relevant stakeholder groups to brief the City Council on the ongoing installation of gas regulators at residential sites, including a discussion of best practices for the internal or external installation of a gas regulator at a residential property, a discussion of safety considerations with regard to the location of a gas regulator, and a response to recent community concerns related to the relocation of gas regulators at residential properties in Baltimore City.

COMMENTS – Council Resolution 23-0179R calls on several municipal agencies, along with public utility provider Baltimore Gas & Electric, to participate in a public hearing focused on gas regulator installations that are underway across Baltimore City. As the chief agency responsible for managing and maintaining the City’s public right-of-way, Baltimore City Department of Transportation is a critical stakeholder in this active public dialogue.

AGENCY/DEPARTMENT POSTION – The Baltimore City Department of Transportation welcomes the opportunity to have this important public conversation and fully **supports** Council Resolution 23-0179R.
