RE: City Council Bill 08-0022

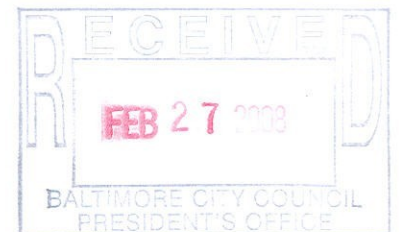

I am herein reporting on City Council Bill 08-0022 introduced by Council member Robert Curran.

The purpose of this Bill is to amend the Urban Renewal Plan for the Hamilton Business Area to specify uses to be allowed, not allowed, regulated, conditioned, or otherwise limited in a certain land use area, clarifying certain language, and conforming certain references; waiving certain content and procedural requirements; making the provisions of this Ordinance severable; providing for the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and supports the Bill. The Parking Authority will be working with the Hamilton Business District to re-install the parking meters along Harford Road during the next couple of months. The Parking Authority will also be available to work with any Developer through the Site Plan Review process to address parking needs or concerns associated with development in the Hamilton Business Area.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 08-0022.
