The Honorable Bernard C. Young, President
And All Members of the Baltimore City Council
City Hall, Room 408

August 26, 2011

The proposed legislation would provide for the purpose of approving the application of BCP Investors, LLC, and Exxon Mobil Corporation, which are the owner and ground lessee of Block 6505, Lot 1/9, 9A, and 10 (collectively, the “Property”), to have the Property designated a Business Planned Unit Development; and approving the Development Plan submitted by the applicant.

The Fire Department does not object to City Council Bill # 11-0761 provided that all applicable sections of the Fire and Building Codes are adhered. This may include a requirement for plans to be submitted to the Fire Department, an annual Fire Inspection, permit, automatic sprinkler system, and Fire Alarm system.
