	Subject:	City Council Resolution # 21-0005R Department of General Services and cleaning of City-owned facilities during COVID-19		

**DATE:** February 24, 2021

**TO:** The Honorable Council President and Members of the Baltimore City Council

Dear Council President Mosby and Members of the City Council,

Baltimore City Recreation & Parks (BCRP) has been requested to review City Council #21-0005R regarding the City's Department of General Services (DGS) and how its employees have been keeping City-owned buildings clean during the COVID-19 pandemic.

DGS does not have any responsibility on BCRP property, and our properties are maintained by BCRP Facility Maintenance Division. Additionally, should an employee test positive for COVID-19, the facility is closed and thoroughly cleaned and sanitized by an outside contractor.

Given that this legislation does not affect our agency, BCRP respectfully offers "no position" on this legislation.

Respectfully,

Reginald Moore  
*Executive Director*
