The Honorable President and

 City Hall, Room 400

At its regular meeting of May 10, 2018, the Planning Commission considered City Council Bill #18-0213, for the purpose of authorizing the Mayor and City Council of Baltimore (pursuant to General Assembly House Resolution III and Senate Resolution I of 2018 approved by the members of the Maryland General Assembly representing Baltimore City) to create a debt, and to issue and sell its certificates of indebtedness as evidence thereof, and proceeds not exceeding \$47,000,000 from the sale of such certificates of indebtedness to be used for the cost of issuance, including the expense of engraving, printing, advertising, attorneys' fees, and all other incidental expenses connected therewith, and the remainder of such proceeds to be used for or in connection with planning, developing, executing, and making operative the community, commercial and industrial economic development programs of the Mayor and City Council of Baltimore ...

In its consideration of this Bill, the Planning Commission reviewed City Council Bill #18-0213 and its Departmental staff's recommendation for approval, finds this Bill to be compatible with its prior recommendations for the annual Capital Improvement Program, and therefore adopted the following resolution; seven members being present (seven in favor):

RESOLVED, That the Planning Commission concurs with the recommendation of its departmental staff, and recommends that City Council Bill #18-0213 be passed by the City Council.
