	SUBJECT	City Council Bill #11-0697 – Planned Unit Development – Designation – University of Maryland BioPark		

**TO** The Honorable Bernard C. Young, President  
And All Members of the Baltimore City Council  
City Hall, Room 408

DATE: May 16, 2011

The proposed legislation would provide for the purpose of repealing the existing Development Plan for the UMB Biomedical Research Park; approving a new development Plan for the University of Maryland Bio Park Planned Unit Development; and providing for a special effective date.

The Fire Department does not object to City Council Bill # 11-0697 provided that all applicable sections of the Fire and Building Codes are adhered. This may include a requirement for plans to be submitted to the Fire Department, an annual Fire Inspection, permit, automatic sprinkler system, and Fire Alarm system.
