RE: ORDINANCE 10 - 0572

I am herein reporting on City Council Bill 10 - 0572 introduced by Council President, Bernard C. "Jack" Young at the request of the Department of General Services.

The purpose of this bill is to authorize the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in a certain parcel of land known as the former bed of Diamond Street, extending from Fayette Street northerly 220.2 feet, more or less, to Shad Alley and no longer needed for public use; and providing for a special effective date.

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and determined that the sale of this parcel will not negatively effect parking in that neighborhood.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 10 - 0572.
