In this section, “commercially useful function” means the performance by a business enterprise of real and distinct work for which the business enterprise has the skill, expertise, and actual responsibility to perform, manage, and supervise.

(b) *Requirement.*

The bidder may count toward the contract goals only expenditures to certified business enterprises that perform commercially useful functions in the execution of the contract.

(c) *Determination.*

(1) To determine whether a certified business enterprise is performing a commercially useful function, the City must evaluate:

(i) the amount of work subcontracted;

(ii) industry practices;

(iii) whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and with the MBE or WBE credit claimed for its performance of the work; and

(iv) other relevant factors.

(2) With respect to materials and supplies used on the contract, the MBE or WBE is responsible for negotiating price, determining quality and quantity, ordering the material, installing (where applicable), and paying for the material itself.

(3) When an MBE or WBE is presumed not to be performing a commercially useful function, the MBE or WBE may present evidence to rebut this presumption. The MBE or WBE must provide written documentation to the Chief, whose decision is final.

§ 28-33. Joint ventures.

(a) *Percentage of participation.*

A bidder may count toward the contract goal the portion of its expenditure to a joint venture that is equal to the percentage of a certified business enterprise’s participation in the joint venture.

(b) *Nature and extent of interest.*

The MBE or WBE member of the joint venture must have an interest in the control, management, risks, and operation of the joint venture commensurate with the member’s percentage of ownership.

Council Bill 16-0619

1 (c) *Share of work responsibility.*

2 The certified business enterprise that is a member of the joint venture must be responsible
3 for a distinct, clearly defined portion of the work to be performed with its own forces,
4 equal to its share in the ownership, control, and management of the joint venture.

5 **§ 28-34. Subcontracting by MBE or WBE.**

6 (a) *Limitation.*

7 A bidder may not count toward its contract goal any agreements with certified business
8 enterprise subcontractors who intend to subcontract more than 10% of the dollar amount
9 of the services to be performed under the agreement between the bidder and the certified
10 business enterprise.

11 (b) *Exception for supplies, etc.*

12 This section does not apply to a subcontractor's contracts for the purchase of materials,
13 equipment, or supplies as an incident to the performance of services under its contract.

14 **§ 28-35. One subcontractor, one goal.**

15 A business enterprise that is certified as both an MBE and a WBE may not be counted toward
16 both MBE and WBE goals for the same project. The bidder must select the goal for which
17 the business enterprise is to be counted toward.

18 **§ 28-36. Manufacturers.**

19 A bidder may count towards the contract goal its entire expenditure to a certified business
20 enterprise manufacturer.

21 **§ 28-37. Suppliers.**

22 (a) *In general.*

23 If a bidder uses 1 or more suppliers to satisfy a contract goal, in whole or in part, the
24 certified business enterprise supplier participation may be credited towards the applicable
25 goal, as provided in this section.

26 (b) *Supplier-manufacturers.*

27 A bidder may count 100% of its expenditure to a certified business enterprise supplier
28 who manufactures the goods supplied.

29 (c) *Others.*

30 (1) A bidder may count 100% of its expenditure to a certified business enterprise supplier
31 who is:

Council Bill 16-0619

1 (i) a wholesaler warehousing the goods supplied; or

2 (ii) a manufacturer's representative,

3 (2) However, only 25% of the applicable contract goal may be attained by expenditures to
4 certified business enterprises that are non-manufacturing suppliers.

5 (d) *Adjustment for extraordinary proportion.*

6 For contracts where an extraordinarily large proportion of the contract price is for
7 equipment or supplies:

8 (1) a lower project goal may be set than otherwise would be required;

9 (2) the 25% limit for suppliers may be increased; or

10 (3) a combination of these two methods may be used.

11 **§ 28-38. Insurance companies; travel agents.**

12 A bidder may count towards the contract goals the fees or commissions charged by a certified
13 business enterprise insurance company or travel agent, as long as the fee or commission is
14 reasonable and not excessive as compared with fees or commissions customarily allowed for
15 similar services.

16 **§ 28-39. Financial institutions.**

17 A bidder may count towards the contract goals only the fees charged and earned by a certified
18 business enterprise financial institution.

19 **§ 28-40. {Reserved}**

20 **§ 28-41. Non-affiliation.**

21 (a) *Affiliation disallowed.*

22 A bidder is precluded from using a certified business enterprise to meet a contract goal if
23 the bidder has a financial interest in, has an interest in the ownership or control of, or is
24 significantly involved in the operation of the certified business enterprise.

25 (b) *Office criteria to be met.*

26 In order for a non-certified bidder to use a certified business enterprise to meet a contract
27 goal, the non-affiliation criteria established by the Minority and Women's Business
28 Opportunity Office must be met.
