Date: June 14, 2016

As requested, the Department of Real Estate has reviewed City Council Bill 16-0682 for the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain parcel of land known as the former bed or a portion of West Franklin Street, extending from Allendale Street easterly 105 feet to the east side of a 15 foot alley, and no longer needed for public use and providing for a special effective date..

The Department of Real Estate has no objections to the passage of City Council Bill 16-0682 which if enacted will allow for the sale of the land to the new owner of the Allendale public housing development for the continued use as a free parking lot for the residents of the Allendale housing development.
