Re: City Council Bill 11-0742 – Lamps and Lighting – LED Lights for Street
Lamps

Dear President and City Council Members:

The Law Department has reviewed City Council Bill 11-0742 for form and legal sufficiency. The bill would require the Department of Transportation to ensure the installation of energy efficient light emitting diode lights in all City street lamps by June 30, 2013. The bill also corrects incorrect references to the Department of Public Works.

The Law Department approves the bill for form and legal sufficiency.

Sincerely yours,

Victor K. Tervala
Assistant Solicitor
