DATE:

September 10, 2009

The Honorable President and
Members of the City Council
Room 400, City Hall

Attention: Ms. Karen Randle

City Council Bill #09-0378 has been introduced for the purpose of authorizing the Mayor and City Council of Baltimore to grant a drainage and utility easement through Robert E. Lee Park for the property known as 6608 Falls Road, Baltimore County; and providing for a special effective date.

The purpose of the easement is to allow for the installation of a permanent sewer connection to the subject property. The legislation provides that all plans and specifications will be approved in writing by the City before any construction commences. Additionally, the grantee will be responsible for the costs to maintain the easement.

Based on these findings, the Department of Finance has no objection to the passage of Council Bill 09-0378.
