The Honorable Bernard "Jack" Young
and Members of the Baltimore City Council
Attn: Natawna Austin
City Hall Room 409

Recommended Position

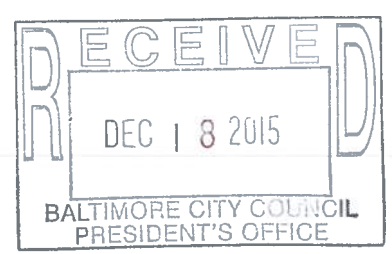

The Office of the Labor Commissioner has reviewed City Council Bill 15-0589, which proposes grant service credit for certain pre-employment contractual services provided to the City.

The Office of the Labor Commissioner does not support City Council Bill 15-0589 for the following reasons:

- The Bill would have an administrative and financial burden on the City.
- Contractual employees are not eligible for retirement benefits which is in accordance with Baltimore City Policy AM-212-1.
