Honorable President and Members  
of the City Council

Ladies and Gentlemen:

On March 17, 2010 the Board had before it for consideration the following Pending City Council Bill:

08-0055 - For the purpose of expressly authorizing the establishment of 1 or more continuing, non-lapsing funds to be used for promoting sustainability and a clean and safe environment in the City and for related purposes; and submitting this amendment to the qualified voters of the City for adoption or rejection.

After NOTING AND REVIEWING all reports received, the Board UPON MOTION duly made and seconded did not support or endorse the Bill because of the objections from the Department of Finance and referred it to the City Council with the recommendation that it not be approved and passed by that Honorable Body.

The President ABSTAINED from voting.

Sincerely,
