Members of the City Council
Room 400, City Hall

June 10, 2019

City Council Resolution #19-0148R is introduced for inviting the Commissioner of the Department of Housing and Community Development, the Executive Director of the Housing Authority of Baltimore City, the Health Commissioner, and the Secretary of the Maryland Department of Health or his designee to appear before the City Council to discuss the potential dangers of mold in housing.

The Baltimore City Council is interested in learning about mold in housing and how they can protect our citizens from its dangers.

The Department of Finance has no objection to the passage of Council Resolution 19-0148R and will ensure that a designee is available at the hearing for any questions or follow-up.
