	SUBJECT	City Council Bill # 15-0584 Psychoactive Substances		

TO The Honorable President and Members
of the Baltimore City Council

DATE: November 5, 2015

The Baltimore City Environmental Control Board (ECB) is pleased to have the opportunity to review Council Bill #15-0584, Psychoactive Substances. The purpose of the bill is to prohibit the distribution of psychoactive substances and to provide for the seizure, testing, and destruction of such substances.

ECB anticipates that the number of citations that will be issued for a violation of the relevant provision will have no significant impact on ECB operations. For this reason the ECB has no objections to the passage of this bill.
