RE: ORDINANCE 13-0222

I am herein reporting on City Council Bill 13-0222 introduced by Council President Young at the request of the Department of Legislative Reference.

The purpose of the bill is to correct certain technical errors and omissions in the City Code; repeal certain obsolete or otherwise preempted, superseded, or superfluous provisions; correct, clarify, and conform certain language; and provide for a special effective date.

Corrections within the bill that pertain to the Baltimore City Parking Authority include Article 31, Subtitle 10-9 (Residential Permit Parking Program: Advisory Board) and Article 31, Subtitle 14-9 (Valet Parking). The Parking Authority has reviewed the corrections and does not foresee any adverse effects that would result from this bill.

It is for this reason that the Parking Authority supports passage of City Council Bill 13-0222.
