	SUBJECT	CITY COUNCIL BILL 16-0719		

DATE: August 18, 2016

TO
 The Honorable President and Members
 of the Baltimore City Council
 c/o Natawna Austin
 Room 400 – City Hall

I am herein reporting on City Council Bill 16-0719 introduced by Councilmember Kraft.

The purpose of this Bill is to amend Ordinance 16-487, which repealed the existing Development Plan for the Canton Crossing Planned Unit Development and approved a new Development Plan for the Canton Crossing Planned Unit Development, to conform the dates of certain exhibit sheets to the dates of the exhibit sheets that were signed by the Mayor and attached to and made part of the Ordinance; and provide for a special effective date.

Council Bill 16-0633 was introduced by Councilmember Kraft on March 7, 2016 with the purpose of approving a new Development Plan for the Canton Crossing Planned Unit Development. It was commented on by this Department which had no objection to the legislation, and was approved by the City Council. Council Bill 16-0633 {Ordinance 16-487} and the exhibit sheets dated May 11, 2016, which were attached to and made part of the Ordinance, were then signed into law by the Mayor. It was subsequently discovered that the date for 3 of the exhibit sheets had not been amended in the text of the Ordinance, although that had been the intention of the City Council's Land Use and Transportation Committee.

City Council Bill 16-0719 would amend the text of Ordinance 16-487 to conform the dates of 3 of the exhibit sheets dated May 11, 2016 in Ordinance 16-487 to what was originally intended and to what was already signed into law.

The Department of Public Works has no objection to the passage of City Council Bill 16-0719.

Respectfully,

 Rudolph S. Chow, P.E.
 Director
